

**RESOLUTION NO. 21/22-32**

**A RESOLUTION OF THE BOARD OF DIRECTORS OF  
THE BEAR VALLEY COMMUNITY SERVICES DISTRICT  
ESTABLISHING THE FISCAL YEAR 2022/23 APPROPRIATION LIMIT**

The Board of Directors of the Bear Valley Community Services District resolves as follows:

**Section 1. Findings.** The Board finds as follows:

A. Under Article XIII B of the California Constitution, Division 9 of the Government Code (commencing with Section 7900, and Government Code section 61113 of the Community Services District Law (collectively, the "Appropriations Limit Law"), the district is required to establish an annual fiscal year appropriations limit commonly known as the "Gann Limit."

B. The Bear Valley Community Services District ("District") has established in accordance with these requirements its Fiscal Year 1978/79 appropriation as its base year for determining its appropriations limit.

C. The Appropriations Limit Law permits the District to increase annually its previous base year appropriation by the factor calculated from the average percentage change in the California Per Capita Personal Income and the certified percentage increase in the county's population, each as determined by the State of California, Department of Finance, for the District's Fiscal Year 2022/23.

D. According to the Department of Finance, the percentage change in the Per Capita Personal Income is 7.55%, and the increase in population is 0.05%.

E. Based on the above data, the factor used to calculate the Fiscal Year 2022/23 appropriations limit is 1.0761.

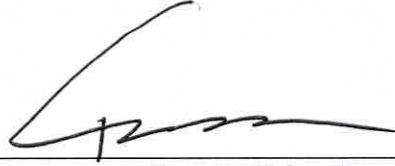

F. The Fiscal Year 2021/22 appropriations limit for Bear Valley Community Services District was \$11,564,642. When multiplied by the allowed factor, the Fiscal Year 2022/23 appropriations limit is set at \$12,444,711.

G. The documentation used to determine the appropriations limit is available to the public in the District Secretary's Office.

**Section 2. Establishment of Fiscal Year 2022/23 Appropriations Limit.** The Board of Directors establishes the amount of \$12,444,711 as the District's Fiscal Year 2022/23 appropriations limit.
