

BEAR VALLEY CSD COMMUNITY TOWN HALL

WHERE WE ARE. WHERE WE'RE GOING.

A COMMUNITY CONVERSATION ABOUT BEAR VALLEY'S SERVICES, INFRASTRUCTURE & FINANCES

Hosted by General Manager Beverli Marshall

The Bear Valley Community Services District invites residents to join us for an informative town hall about the challenges facing our community, the services provided by the CSD, and the decisions that will shape Bear Valley's future.

TWO OPPORTUNITIES TO ATTEND

Wednesday, September 30

6:00 PM

Sunday, October 4

6:00 PM

OAK TREE COUNTRY CLUB

WHAT WE'LL DISCUSS

ROADS & INFRASTRUCTURE

The condition of Bear Valley's roads, water and wastewater systems - and what it will take to maintain and improve them.

SOLID WASTE

How our solid waste services operate, what residents' rates pay for, and the future needs of the system.

PUBLIC SAFETY

Current police services, funding needs and the challenges of maintaining public safety services.

RATES & FUNDING

Why recent utility and solid waste rate changes were necessary, what they fund, and how future changes could affect services.

THE FUTURE OF OUR ROADS

The need for a sustainable source of funding to repair and replace Bear Valley's aging road system, including an upcoming road fee.

BEAR VALLEY ROAD REHABILITATION PROJECT

An update on road reconstruction, water-line replacement and what residents can expect during construction.

PROPOSED POLICE TAX

An overview of the proposed police tax considered for the March 2027 ballot and its potential effect on public safety funding.

LEARN. ASK QUESTIONS. BE INFORMED.
