Per adopted Resolution 25/26-30 the Bear Valley Community Services District offers manure disposal as an optional, voluntary service available to property owners or residents who elect to participate. I hereby notify the District of my decision to enroll in participation of this program. Upon enrollment, I will be issued a valid District tag to be displayed in the passenger-side lower right front window of the vehicle. Tags are nontransferable between vehicles or properties and additional tags are available for purchase. I agree to pay all applicable fees, rates, and charges associated with this service and will comply with all established transfer station rules and regulations. Should I choose to opt out of the program at a later date, I will notify the District accordingly. If not enrolled, I will not be permitted to dispose of manure. Unauthorized use may result in penalties, fines, or suspension of service privileges.
